ABOUT US

Barattini is a coffee brand that is proud to source only the highest quality coffee beans throughout the world. Our professional roasters meticulously construct each roast to bring out the distinct features of each bean, resulting in an extraordinary coffee experience. We have a variety of solutions to meet your needs, including our precisely manufactured compatible capsules, which are ideal for individuals who seek convenience while maintaining the quality. Our beans are great for individuals and HoReCa who are equipped with the tools to take our great coffee beans to a great coffee.
